

Coupons for overseas military commissaries

U.S. military families stationed overseas are able to use them on base for up to SIX MONTHS after the manufacturer's expiration date. Keep in mind the time it takes to send them, usually many weeks. Only manufacturer's coupons are accepted, do not send local in-store or internet coupons. Separate the coupons into food and non-food categories and place in bags.

Check the website before sending coupons, as it is updated monthly.

If you receive a letter back stating they now have enough coupons, please contact let the website know and they will remove them from the list. At this time Bamberg and Illersheim Germany would prefer not to receive any until further notice.

When you mail your envelopes you will address them like this...
