A lot is going on to build the capacity of the ALA to be able to deliver our mission and become the great 2020 vision of making a difference for veterans and their families in every neighborhood. These 5 goals are our top priority. Read on, and be part of it all!

Goal 5: With The American Legion, Build Brand Loyalty

- Strategy B: *Build awareness and preference for the ALA brand*

As of 3/14/17, according to Google Alert articles, 139 articles have been published in the month of March that mention or feature the ALA.

ALA blog posts shared on national headquarters Facebook and Twitter accounts have reached 113,604 people as of 3/13/17.

Representatives from this team will be attending Indiana Women Veteran Conference to research exhibiting at mission events and work with the entire team to determine what Departments and Units might need at events of this type. Ultimately, the goal is to create and develop a step by step a model for units and departments to follow.

- Strategy C: *Recognize brand loyalty and excellence in promotion of The American Legion Family brand*

Amanda Washburn is featured in the February issue of the *Auxiliary* magazine as part of the initiative recognizing success stories of former ALA Junior members to encourage them to continue membership as senior members.

Strategy D: *Invest in internal and external marketing communications*

There are currently 11 ALA Public Relations Ambassadors, including 2 junior members that continue to promote ALA blog stories on social media platforms. For 1 month, each ambassador posted 4 blog stories related to the American Legion Auxiliary. Mentions and conversations about American Legion Auxiliary on Twitter and Instagram reached 103,008 users March 1- 31, 2017.

Goal 4: Strengthen Departments and Units

- Strategy B: *Collaborate with Departments in developing innovative ways to improve organizational and financial performance.*
National Officer and Chairmen job descriptions, which include expectations and responsibilities, are being refined by this team and will be presented to various stakeholders for edits and approval
- Strategy C: *Support the Departments in the development of their Strategic Plans*
Department Strategic Plan mentoring teams have begun contacting departments that began the Phase I Strategic Plan Award process but did not complete it. The Mentoring Team of Diane Duscheck & Tina Washington was the first team to make contact with their assigned departments to provide assistance, which resulted in one department being rewarded with the final portion Phase I Award and several other departments who are now much further along in the process.

If your Departments has yet to engage in the Strategic Plan Achievement Awards on any level, team members and mentors are being contacting the Department Teams to discuss reasons for the inactivity and try to show them how easy it is for their department to earn \$1000.

For those Departments that completed the Phase I Awards, work is nearly finished for the Phase II Achievement Award. Phase II will be completed by Department Strategic Planning teams in Survey Monkey. The rollout is set to occur within the next couple of months.

Goal 3: Develop Leadership at All Levels

- Proposing an evaluative process to be used when department secretaries/ executive directors are dismissed from their position, and succession planning best practices for department secretaries/ executive directors based on job responsibility information provided in the Department Operations Guide
- Working on action steps to compile succession information department leaders will be able to use to assist continuity as the department transitions from one ALA year to the next
- Reviewing a Goal 3 Vision statement that will give direction to their initiatives and action steps
- Gathering data related to members who applied for 2017-2018 chairmanships, which will provide a means of comparison for future years
- Incorporating concepts of Servant Leadership into training for the 2017 National Chairmen's Meeting in April
- Weaving Role Clarification into the agenda for the May 2017 Department National Leadership Conference

Goal 2: Create an Internal Culture of Goodwill

- Strategy A: *Enable members at all levels to demonstrate goodwill to internal and external audiences.*
Development of a Goodwill Ambassador Award How-to-Apply Guide and Entry Form continues.
- Strategy C: *Invest resources in identifying and developing leadership*
This team submitted a story idea to the Communications Division at ALA NHQ on how to incorporate The Legion Family in events and meetings for potential use in future publications.

Goal 1: Enhance Membership Strength

- Goal 1 recently made some changes to strategies. The newly combined strategies are reflected in the attached revised Centennial Strategic Plan.

- Strategy E: *Expand internal and external alliances*

Note, Strategy E and Strategy B have been combined and will offer combined updates moving forward.

Yes...it's a really big undertaking, and vital if we are going to be here for another generation of veterans. Remember, achieving Goals 5, 4, 3, and 2 will make it possible to get to Goal 1. We can do this if we work together. Let's all be Goal 2 stewards and keep up the good work!
