PRESIDENT'S MESSAGE

Florence Wasley
Department
President

Greetings to All –

All schools and many homes have a book by our friend Webster. I opened this book to the V's and saw the highlight for this month's article:

"A person who enters into any transaction of his own free will with no promise of compensation."

Now you have read the definition—what is the word?

Yes, the word is **VOLUNTEER**.

Volunteers help make our American Legion Auxiliary the largest women's patriotic organization in the world. Beyond the dues we pay for our membership, many ladies give of themselves, their time or money for Veterans. I offer my heartfelt thanks to everyone who works at the various VA facilities. I wish I had space to share the names of all the people who volunteer at the VA hospitals and homes I visited at Madison, Zablocki, Iron Mountain, King, Minneapolis, Kenosha Outreach, Tomah, and Union Grove. Thank you all volunteers!

We can't forget the volunteers at the Poppy Shop. It is amazing to see the Veterans take the petals, stem and center and make our memorable poppy. I would like to extend a big thank you to the ladies who assist the Veterans in this worthwhile project.

There are also volunteers at the Christmas Gift Shop who sort -- and sort some more. Many volunteers also support Badger Girls State and the bowling tournament. There are more volunteers in our Auxiliary than I

can mention, but if it wasn't for volunteers like you, we couldn't be tooting our horns.

When you go to your Auxiliary meetings, look for opportunities to volunteer your time and get involved and give yourself a pat on the back for the numerous things you already do. I hope you know how thankful I am—YOU are striving for excellence through your **VOLUNTEERISM**. (There is a need for one or two volunteers at Union Grove. Contact Bonnie Dorniak at Department Headquarters (866) 664-3863, if you can help.)

Now, let's talk about membership. Thanks to those of you who collected renewals and recruited new members. For two weeks Wisconsin lead the nation by being **NUMBER ONE**. Now we are in a heated contest with Minnesota and Iowa. If we continue to work on membership, we can climb to the top again. **STRIVE FOR EXCELLENCE!**

As April approaches, we need to get back to the basics and provide information to our Juniors about our activities and programs. Do they know why they are Junior Auxiliary members? Remind the Juniors that they, too, have a veteran in their life to honor.

Think about our upcoming homework assignment this year. It is only two sheets of paper compared to 23! So let's get ready to take out the notebook with times, projects, and dates so you can be done before annual report time is here – early recess!

A Holy season is approaching. Let us remember and pray for our military families and troops. Thank your family for the times you're together.

God bless our troops and keep them safe. God bless America during the crucial and trying times.

Florence

Does your community know who you are and what you do?

Public Relations promote our mission and the people we serve. It is a key component of membership renewal and new growth.

1. Market yourself in a positive and meaningful way. Ask other civic and service organizations to attend a unit meeting or ask to attend their meeting. Discuss what service each provides to the community and how the ALA can form partnerships to broaden service offerings.

TAL, Department of Wisconsin, has Legion Marketing Trailer that may be used to promote The American Legion Family. Contact information and additional details can be found in the Badger Legionnaire section of this paper.

2. Get the word out that the ALA is there. Set up booths at local events to share the mission and vision of the ALA. Make a big deal of all activities sponsored by your Unit and Post.

3. Make friends with your local media. Newspapers, radio, television, internet, as well as rack cards and brochures provide different ways to promote the ALA.

Does your Unit know you? Do you know your fellow members? "The Membership Connection" adds value to you as an ALA member. Help your unit connect with members in different ways:

1. Call or e-mail a member to invite them to a meeting, an event, or just to chat.
2. Add members to mailing lists immediately (Post/Unit, county, district, state, and national mailings).
3. Welcome all members at meetings or events, even if you have known each other for years! There may be a member who

doesn't know everyone, so share who you are.

4. Share something about yourself (*why you joined the ALA, what programs you would like the unit to be involved in, the skills you bring to the unit, a recent volunteer experience, a new idea!*).

5. Ask your unit president to present a **"Member Packet"** at a meeting. Packets are available through department headquarters. Discuss the packet contents at least once a year, to help current and new members understand their rights and benefits as a valued ALA member. Benefits change, so it's one way everyone understands the value of their membership.

6. Follow-up with members you haven't seen in awhile. Check if they are OK or need help.

7. Hold joint meetings, dinners or events with the Post to build a strong American Legion Family presence in the community. **HAVE FUN!**

• **No Member Left Behind:** Every member is important to the ALA! We encourage units to follow-up with non-renewals and members to renew their membership. If the ALA loses you as a member we lose a **valuable asset to the organization.**

• **Build a Unit Team:** As an ALA member you contribute to the team! One by one we make an impact. Together we make a huge difference. Add fun to your unit meetings. Learn about each other.

• **Brag about your accomplishments:** Complete the unit reports and awards. Tell about the good work your unit does and the various ALA programs you sponsor.

If you signed up one new member, request an "I Got One" Ribbon; wear your Unit 100% Membership Ribbon proudly; and promote "Service Not Self" all year long.

The Power of One Member –
You Can Make a Difference!**

CHAPLAIN'S CORNER

Laura Calteux, Chaplain
calteuxx2@sbcglobal.net

Spring is right around the corner and we'll soon see the tulips and daffodils lift their heads. It's not coming fast enough for me, but patience is something that I struggle with every day. We have to put our faith in the Lord that He will give us the patience to get through every day. Remember, we are all members of the American Legion Auxiliary to help our veterans, their families, our children and youth and our communities.

Dear Lord,

Give us the strength to make it through our day. Give us the strength to live our lives with patience and compassion. You are the light that shows us the way. Protect our servicemen and women, as they put their lives on the line for us. Give their families the fortitude to make it through the day, as they wait for their loved one to return home.

Amen

The Lord is my rock and my fortress

and my deliverer;

My God, my strength, in whom I will trust;

My shield and the horn of my salvation, my stronghold;

I will call upon the Lord, who is worthy to be praised;

So shall I be saved from my enemies.

Psalm 18: 2-3

Music

Here is a song from my favorite musician, John Denver. It always makes me smile and I hope it makes you smile too.

Sunshine On My Shoulders

Composers: Mike Taylor, Dick Kniss, John Deutschendorf

Sunshine on my shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water looks so lovely
Sunshine almost always makes me high

If I had a day that I could give you
I'd give to you a day just like today
If I had a song that I could sing for you
I'd sing a song to make you feel
this way

Sunshine on my shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water looks so lovely
Sunshine almost always makes me high

If I had a tale that I could tell you
I'd tell a tale sure to make you smile
If I had a wish that I could wish for you
I'd make a wish for sunshine all the while

Sunshine on my shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water looks so lovely
Sunshine almost all the time makes me high
Sunshine almost always

GREETINGS FROM HEADQUARTERS

Email: deptsec@amlegionauxwi.org

I would like to thank all the Units that sent contributions for President Florence's special project, Homeless Female Veterans. I would encourage remaining contributions be sent to Department by April 30th so they can be recorded in our current fiscal year. This will also help Department track donations accurately since the incoming president will have a new special project.

For 20 years, USA WEEKEND and HandsOn Network have joined together to sponsor Make A Difference Day, the largest national day of community service that celebrates neighbors helping neighbors. I am pleased to report that the Camo Quilt Project was selected as one of the top national projects for 2010 and will be receiving a \$10,000 award in April. Thank you to all the Auxiliary members who support

this project to benefit our active duty service men and women!

The 2011 Consolidated Unit Activity Reports are due May 1st. If you haven't been to a Unit meeting lately, but have volunteered in your community, call your President and report your hours so they can be included on your Unit's report.

May is Poppy Month! Poppy orders were due February 1st, but the Poppy Shop will try to fill orders to meet Unit needs as long as they can. If you have not ordered your poppies yet, please call Karen at 414-384-2000, ext. 42208, Wednesday-Friday from 9:00 am-1:00 pm. Advise her of your anticipated needs and then send your order and payment to Headquarters immediately. Poppy Order Forms are available on the Auxiliary website.

The names of deceased Auxiliary members are included in the American Legion Family Memorial Book for the Memorial Service at Department Convention in July. This book will include all deceased members from the period of June 1, 2010

through May 31, 2011 who have been recorded by Department Headquarters. Units are reminded to submit this information on a Member Data Form, which is available on the ALA website or by calling headquarters.

Why did you join the Auxiliary? Are you honoring someone special with your membership? We would like to "spotlight" one veteran in an Auxiliary member's life in a future issue of this publication. Please submit a picture of your veteran with a brief explanation (100 words or less) of why you joined the Auxiliary on their behalf. One entry will be randomly selected and we will try to include the veteran's picture, depending on the quality of the photograph. Entries must be submitted by April 15, 2011 via email to deptsec@amlegionauxwi.org (attach photo as a jpeg file) or mail entries to: American Legion Auxiliary, Attn: Department Secretary, PO Box 140, Portage, WI 53901-0140.

Pictures will not be returned.

HAPPY SPRING TO EVERYONE!!!

Soon the grass will be growing and turning green and the flowers will be blooming. New life will be surrounding us.

April is the first month of spring and is a new beginning. April is also Children and Youth Month.

Supporting our Children and Youth Programs provides us with a strong beginning and a positive future.

It is so important for us to guide and teach our children, to share our knowledge and pass on our experiences. Teach our youth the importance of caring for one's self and for others. It is very important that our future generations know that they are needed and they have something very special to give.

The future of the American Legion

Family depends upon our Children and Youth of today. The Children and Youth Program is one of the "Four Pillars of the American Legion." It is a pillar that represents strength, knowledge and a strong future.

This future can only be guaranteed if we as a family participate in our Children and Youth Programs. We can donate our time, knowledge and financial support.

GOD BLESS YOU
GOD BLESS AMERICA

We are coming to an end of another Auxiliary year. Please do not forget the important task ahead, filling out and submitting the Consolidated Report form (formerly Annual Reports). As you all know, this year we will be using a new format. It is quite daunting to look at and may be a little confusing. Do not hesitate to contact the corresponding Chairman if you have any questions. They will be glad to answer you or refer you to the proper contact. It is very important to submit these reports in a timely manner. They are the only way we have to let National and Department Headquarters know just how much you ladies really

accomplish. Don't be afraid to "Blow Your Own Horns." What you do is very important, especially to all our veterans.

I did not attend National Convention due to family illness, but I do know that, as usual, Wisconsin made us proud. Many of our Chairmen received award recognition. Do not forget they earned these awards because of the work you do. I am especially proud of the continued involvement of our ladies. Thank you and please continue your contribution to the great programs of VA&R.

I was very fortunate to be able to attend the National Veterans Creative Arts Festival in La-Crosse this past October. As you probably know, this is one of my favorite programs. The performing arts and the visual arts were

amazing. We have so many talented veterans, men and women. The event was sponsored by the Tomah VA Facility. They did a tremendous job.

We also were privileged to attend the 2011 try-outs at the Tomah VA Facility in February, again visual and performing arts were featured. The VA in Milwaukee also has a great curriculum. Both Tomah and Milwaukee have Arts programs as part of their therapy. As I have said before, great talents are hidden in many veterans and it is wonderful to see them develop.

To me, VA&R is such a worthwhile program, to aid and assist our heroes in their recovery. Of course, I may be prejudiced, but the more I work with VA&R, the more I appreciate all the work that is being done.

LEADERSHIP

With the chilly temperatures and that white stuff continuing to fall it's hard to think spring begins in just a few short weeks. Once it finally arrives, we know what a busy time it is. Spring in the Auxiliary is no exception. In addition to completing work on the Consolidated Report form (formerly Annual Reports), it is also time for many units to elect new officers for the coming year.

How will your unit handle this vitally important business? Will you choose the easy path and re-elect officers who have held the same offices for as long as anyone can remember? Or, will your unit look to other members to become involved? Will you encourage your members to support and mentor new officers and new ideas? Or, will you use the old

cliché... "we have always done it that way!" None of us really like change, but without it we don't move forward and try new things.

If you are ready to consider running for an office, remember every office comes with responsibilities. Take the time to visit with current officers or past presidents and find out what the office you are considering involves. Read the Unit Mailings, the Wisconsin Red Book and the Unit Handbook for answers to many questions about the Auxiliary's programs and policies. Units can assist new officers by conducting officer training sessions. Your District and Department Officers are also available to answer your questions and assist you in your new role as a leader.

Remember, every day is a learning experience. Take advantage of every opportunity to learn

more about the Auxiliary and our programs. Leadership Workshops are a great way to increase your knowledge and build confidence in your role as a leader. If you would like to host a workshop in your area, please contact Department Leadership Chairman Diana Sirovina. Workshops are conducted on Saturdays and last about three hours. Although Leadership training is important for all officers, it is just as important for all members. Members with a greater understanding of Auxiliary programs and a working knowledge of protocol are more likely to volunteer, participate in meetings, and be leaders in the Auxiliary.

Good luck to all the ladies elected to offices this year. Remember how important your leadership is to the continuing success of your unit and to the Auxiliary.
