PRESIDENT'S MESSAGE

BONNIE JAKUBCZYK
Department President

Our Department was awarded a grant of \$2,500 from the American Legion Auxiliary Foundation (ALAF) for the Veterans Creative Arts at Zablocki VA Medical Center. The grant was used to purchase a divider to showcase the beautiful veteran's artwork, a compact 20 shelf wall paint dying rack, easels, sketchbooks, canvas panels, and craft kits. Our Department purchased another divider, craft kits and refreshments. It is not that hard to apply for a grant and the money is there to help our veterans (hint to Units!). Special thanks to the ALAF for the grant. While attending the talent competition, one singer mentioned how the

creative arts has been a great help to him. Whenever he has the urge to drink or do drugs, he turns to singing instead. It was great to witness him improving when he went for treatment at Zablocki a few years ago.

It was nice to see National President Diane Duscheck at the National Executive Committee meeting in Indianapolis. Joining her in doing a fabulous job was CPA Mike Alerding, who gave a very interesting financial presentation. It was truly a Wisconsin proud moment when the totals for Diane's special project, the American Legion Auxiliary Foundation Endowment Fund, were given and our Department was first with \$10,000! Way to go Wisconsin, what a way to start and support our President. Thank you!

From there it was off to Washington DC to storm the hill,

where we talked to our legislators about veterans' issues. It was great to see our Legion Family in action and trying to make a difference for our veterans. It was good to see that the Legion family does not dilly-dally, they dilly dilly. I'm thinking that was their way of preparing for the walk on the hill. National Commander Denise Rohan gave a great Commander's Call before the storm.

I'm also impressed to see our Juniors doing a great job of SMILE this year. Everyone who attended the Junior Conference in Plover had a great time and were always encouraging others. Sleeping in the cabin with the younger Juniors, it was nice to see them all interacting together. Then on Sunday it was off to Stevens Point for bowling. Our Juniors really do make Wisconsin proud.

'Whatever you are, be a good one.' ~ Abraham Lincoln

Congratulations to the 37 units that achieved or exceeded their membership goals! You are an inspiration to us all. The winner of the \$100 drawing for the "Industrious Individual" award, is Private Ralph Kline Unit 262 of Luxemburg! Congratulations ladies for a job well done. The next drawing will be held on May 19th, Armed Forces Day. Units at 85% or more of their goal will be eligible for the "Laudable Ladies" award of \$100. Will your unit be one of them?

As is common this time of year, the number of renewals being sent in has declined significantly. Members that renew their membership without reminders and those that need only a slight nudge have already paid. A second renewal notice was sent by National and yet few pay-

ments are being sent to Department. As of February 28th, we were 739 members behind where we were last year. It will take a concerted effort by each of us to convince those unpaid members that they are valuable members of this great organization.

There is no better way than to reach out to each of them with a phone call and an invitation to participate in a project that will benefit veterans, our military and their families. Engaging members in worthwhile projects will give them a sense of pride in caring for those who gave so much for our freedoms. Small projects that can be done at home, like tray favors, permit ladies who find it difficult to get to meetings to contribute to our mission and make a difference. Bigger projects that require many hands can be divided into smaller parts and delegated to allow "newer" members to oversee a portion of the overall project without feeling overwhelmed. There are

so many ways to include members and "meet them where they are" in their lives. No one wants to feel they are just a number and a check once a year.

Members should also be mentored to eventually take positions of leadership. Too often it seems our units are fading away because no one wants to assume a position of leadership. There are many reasons for this, including not feeling capable, feeling criticized for every suggestion, lacking in knowledge about our organization, or feeling overwhelmed by the responsibility of it all. Growing good leaders takes time. Invite new members to serve on committees so they learn about what we do and why we matter. Now is the time to prepare our members to become the leaders of tomorrow.

Keep smiling and engaging members in our mission to serve those who have served or are still serving!

We are at the beginning of a new season. We see, hear and smell that Spring is in the air. I know I love Spring. There is so much new growth and beauty all around for us to enjoy and be thankful for.

But there is a different season. It is the kind we use to enhance flavor or add zest. It is the kind of season we use when speaking with others. In the Living Bible, Colossians 4:6 reads, "Let your conversation be gracious as well as sensible, for then you will have the right answer for everyone." My Life Bible reads, "Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone."

How will we use this passage when working with others? We may need to correct or rebuke someone when they need it or even better we may need to encourage someone. This should always be done with great patience and careful thought and instruction. Be sensitive to the opportunities given to you to work with others. Be gracious as well as sensible as you encourage them to do the right thing. No matter how much sense the message makes, we lose our effectiveness if we are not courteous. Just as we like to be respected, we must respect others if we want them to listen to what we say. What we say should always be "tasty" and should encourage others. So in this new season, let us work to season our messages so we will all continue to SMILE as we work our mission.

Music: "America the Beautiful"
*Oh beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above the fruited plain
America, America
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea*

I am hoping you will all send a seasoned message for President Bonnie Jakubczyk's prayer book. It could be a special prayer or Bible passage, a poem, a favorite thought or saying or a personal message for her special book. I know Bonnie will treasure each and every submission. Please put your message on a 8.5 x 11 paper, decorate the page any way you like. Include your name, Unit and District number, and the source of your message. Then send it to me at:

CHILD WELFARE FOUNDATION

Donna Jensen, Department Chairman
Ph: 414-303-6186
Email: djensen20@gmail.com

The Child Welfare Foundation (CWF) was created through The American Legion but it is a separate 501(c)(3) corporation. It began in 1952 through a generous donation by Dr. Gerald Murphy, Jr to benefit children. Dr. Murphy and The American Legion entered into a trust agreement that established the CWF that was approved by the National Executive Committee October 15, 1953.

The first three grants were made in 1955 totaling \$22,500 and since then over \$13 million has been awarded to assist children throughout the nation. The American Legion CWF is in its 62nd year and awarded grants totaling \$618,606 to 20 non-profit organizations during its annual board of directors meeting in Indianapolis, IN in October 2017.

Grants are only given to entities that assist U. S. children in large geographic areas and not for day to day operating or special expenses.

The CWF will only accept proposals from nonprofit organizations for projects which meet one of the Foundation's two basic purposes:

- To contribute to the physical, mental, emotional and spiritual welfare of children through the dissemination of knowledge about new and innovative organizations and/or their programs designed to benefit youth; and

- To contribute to the physical, mental, emotional and spiritual welfare of children through the dissemination of knowledge already possessed by well-established organizations, to the end that such information can be more adequately used by society.

Funds are raised and donated by The American Legion, Sons of the American Legion and American Legion Auxiliary to

support this program. The list of grant recipients for 2017 and amounts of each grant are listed on The American Legion website (www.legion.org). Grants awarded to organizations benefit children in a variety of ways including childhood cancer and other disorders, mental health, bullying prevention, domestic violence, adoptions by military families, autism, vaccinations, trans-

porting children for medical treatments, fetal alcohol syndrome, music programs for childhood cancer and The American Legion National Oratorical Contest.

Donations may be made through Auxiliary Department Headquarters using a General Fund Suggested Donation Sheet or writing "#4804-CWF Donation" on the memo line of the check.

CHILDREN & YOUTH COMMITTEE

Donna Jensen
Department Chairman
Ph: 414-303-6186

Email: djensen20@gmail.com

Children and youth are very important resources for our future and our communities. April is Children & Youth month for the American Legion Auxiliary, with emphasis on military children.

This year the Auxiliary is focusing on the Youth Hero and Good Deed Awards. The Youth Hero Award is for youth under the age of 18 who have acted in an emergency situation, such as calling 911, performing first aid, etc. The Good Deed Award recognizes youth who have contributed to their community, over a period

of time, in a positive way through volunteering and participation in their school, church or community. Check your local newspaper and TV reports for candidates for these awards. Other Children & Youth programs include Badger Girls/Boys State and Star Spangled Kids. For application forms and additional information, visit the department (www.amlegion-auxwi.org) and national (www.alaforveterans.org) websites.

Camp Yellow Ribbon, through Easter Seals Southeast Wisconsin, has not received a lot of publicity and was not at full capacity last year. It is a weeklong overnight camp for children ages 7-14 with a parent who has been, is cur-

rently, or will be deployed in the U.S. Military. It is held at Camp Edwards YMCA Camp & Retreat Center in East Troy, Wisconsin from August 19 – 23, 2018. The eligibility is for up to 50 boys and girls ages 7-14 who have a parent/guardian who are veterans or serve in the U.S. Military. The application deadline is June 29, 2018 and the application form and more information can be found at their website: www.easterseals.com/wi-se/our-programs/camping-recreation/camp-yellow-ribbon.html.

The G.I. Josh program, by the Sons of the American Legion, has been emphasized by Department President Bonnie Jakubczyk this year. If your unit is looking for a

way to support Children & Youth in April, this is a very worthwhile program that gives a stuffed G.I. Josh dog and a book entitled, "I'll Be OK," to children of deployed military to help them cope with the absence of a parent. The Sons are asking for extra donations as there are a large number of deployments scheduled in the next few months and they need additional funds to purchase more G. I. Josh dogs.

Reporting is very important so the Auxiliary can report to Congress, through both dollars and hours, the service provided to active duty military, veterans and their families. Thank you to everyone who sent Mid-Year

Reports with all the Children & Youth activities you are doing. The Unit Year-End Impact Reports and Unit Annual Narrative Reports are due by April 13, 2018. Please submit reports so the Auxiliary gets credit for all the good work you have been doing for Children & Youth this year. A packet with the forms and detailed information on what is included in reports and where to send them was mailed to all Units in December 2017. If you need additional forms or information, please refer to the department website.

Please contact me with any questions and remember to S.M.I.L.E!

NATIONAL EXECUTIVE COMMITTEE

WOW! What a great National Executive Committee meeting we had in Indianapolis. There was so much great information that we received, I don't know where to start.

But I guess I will start with the Audit Committee report and that of the outside audit group, Alerding CPA Group Inc. The outside audit of the national organization's books was, again, one for the books. Thank you to the National Finance Committee and National Controller Tim Bresnahan for their hard work and dedication that keeps the ALA's not-for-profit organization on a very solid financial footing. Per Mike Alerding, the audit showed no weaknesses, but the Auxiliary still needs to look at membership dues and work toward

a formal dues structure to keep the organization viable for the next 100 years.

Here are a few statistics on how members paid their dues. In 2017, 1700 members renewed by phone. In the first month and a half of 2018, almost 4000 members renewed by phone! It is easy, convenient and members can pay for multiple family members at the same time! In 2017, 15,700 members renewed online; in the first month and a half of 2018, over 16,900 members renewed online. And renewals aren't the only thing handled online. 432 members joined online in 2017. So far this year, almost 200 new members have joined to help work the ALA mission.

I know that some members are wondering if the national Strategic Plan is working, and I can tell you that it is. The membership slide has

been slowing down! Three years ago, the Auxiliary lost 10% of its members, but the most recent numbers show the slide has slowed to 6%. So keep up the great work on the Strategic Plan. It IS making a difference.

Some of the key financial indicators that the Auxiliary can be proud of as a not-for-profit are:

- 1)87% of the national expenditures are directly related to mission and purpose. The benchmark is 65%-75%, so we are doing very well supporting our mission.
- 2)9% of expenditures are spent on managing the operations of the organization. We are right on track with the benchmark of 5%-10%.
- 3)4% of funds are spent by the ALA on raising additional funds for programs and mission. The benchmark is 10%-15%, so we need to work on this area so the Auxiliary can survive as an organization. And by saying that, I mean the Auxiliary needs to get contributions from outside the organization, as well as from its members.

Now, since I'm talking about contributions, we need to take a look at how members can continue to support the Auxiliary mission after they have left this earthly world. Planned Giving to the American Legion Auxiliary and the American Legion Auxiliary Foundation will help continue to work the mission for years to come. And it doesn't have to be much. Can you imagine what we could do for our veterans if each member left \$100 to the ALA?!? If you have any questions, please contact me. Or visit www.alaforveterans.org and look under Planned Giving. All the information you need is right there.

To close out this report, the Auxiliary's 100th Birthday Celebration will begin at the 2019 National Convention in Indianapolis. We will be celebrating for a whole year, so start looking at your histories. National will be looking for stories and pictures about your units and members.

CONVENTION RESOLUTIONS

A resolution is a main motion, offered as a resolution either because of its importance or because of its length or complexity. Resolutions for this reason should always be prepared in writing.

Resolutions are usually comprised of two parts, the preamble and the resolved clause(s). However, a preamble is not required for a resolution to be proper. The preamble explains the reasons for the motion, and each idea or reason therein begins with "Whereas." The "resolved" clause is the motion itself, and would be written as a motion.

American Legion Auxiliary, Department of Wisconsin bylaws (Article II, Section 1) require that:

4. The Department President shall, not less than 30 days prior to the annual Department Convention, appoint a Resolutions Committee consisting of five members chosen from the delegates.
 - a. Resolutions presented by an individual member must be approved by the Unit or District of which she is a member. Resolutions must

be received at Department by June 1. Copies of these resolutions shall be transmitted to Units not less than 30 days before Department convention.

b. Any resolution not approved by a Unit or District, or when the District conference is held after June 1, must be approved by the appropriate Department chairman of the program to which the resolution pertains. The Department chairman will submit resolutions that she approves to the Resolutions Committee for consideration.

c. The Resolutions Committee will forward any approved resolutions with a financial impact to the Finance Committee for their approval.

Once the Resolutions Committee and other appropriate chairmen/committees have acted on all resolutions, the Resolutions Chairman will report recommendations to the convention delegates.

A copy of the convention resolutions form was included in the March Unit Mailing and is posted on the department website.

VETERANS CREATIVE ARTS FESTIVAL

The American Legion Auxiliary Foundation awarded a grant of \$2,500 to ALA-Wisconsin to support the Veterans Creative Arts Festival at Zablocki VA Medical Center. The money was used to purchase a divider to showcase the beautiful veterans' artwork, a compact 20 shelf wall paint drying rack,

easels, sketchbooks, canvas panels, and craft kits. Past Department President Diana Sirovina presented the award to Kris Kulas, Recreation Therapist at Zablocki VAMC.

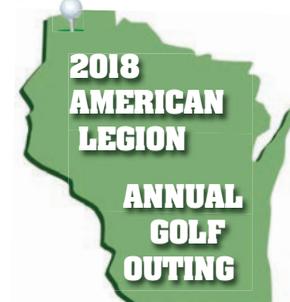

ANNUAL LEGION GOLF OUTING

The 2018 Golf Scramble will be hosted by Post 552 of Somers and is scheduled for Saturday September 15, 2018 at the Twin Lakes Country Club. Registration is from 7:30-8:30 am, start time is 8:30 am.

The fee is \$75 per golfer, which includes golfing 18 holes with a cart, lunch at the turn and the banquet. Foursomes can consist of two Legion Family members and two non-Legion Family members. **Auxiliary members are encouraged to participate!** Make sure you mark your calen-

dar and invite your Unit to sponsor a Team.
