PRESIDENT'S MESSAGE

CHAR KIESLING
Department
President

I am still reeling and can't believe I am your American Legion Auxiliary, Department of Wisconsin President. What an absolutely exciting and unforgettable experience. I truly appreciate all those who took part in my installation. It was so special. It was a real family affair...the Kieslings and the American Legion Family! I received such great support from all of you and so many heart-warming good wishes from my Auxiliary sisters. Thank you for allowing me to be your 98th President!

I know each and every member will be working the mission this year as we "Kindle the Flame" for our Veterans, Military and their Families. Our FLAME will burn brightly for all to see. The FLAME

will bring energy and dedication to carry out our programs and to serve unselfishly those who need us the most. Membership may be a big challenge as we contend with the dues increase but our goals are realistic and the membership team is the best!

The President's project is truly from the heart. Wreaths Across America was decided upon after long consideration in finding a project I could really believe in. On that annual second Saturday in December, as my husband and friends laid wreaths on the graves at King Memorial Cemetery, I turned to look up the hill. The wreaths were beautiful in the snow with the bright green evergreen and red bow, but there were still graves that didn't have a wreath. What if that empty grave was one of your loved ones? I decided then that all graves would be covered this coming holiday season in all three of

the state Memorial Cemeteries... Spooner, Union Grove, and King. We aren't just decorating graves; we are honoring their lives and not their deaths. We are REMEMBERING, HONORING, and TEACHING the younger generation about the value of their freedoms and the importance of honoring those who sacrificed so much to protect and defend those freedoms. More details on Wreaths Across America will be available.

I am writing this article while serving as THE RN at Girls Nation in Chevy Chase, Maryland. I look forward to seeing our capitol city with these outstanding young ladies and with the dedicated counselors, my fellow American Legion Auxiliary members and soon-to-be great friends!

I look forward to the fun part of this job as Department President... meeting you and sharing this year with all of you and our heroes.

What does membership in the American Legion Auxiliary (ALA) mean? Just paying dues to the ALA is an action that says, "I want to support veterans, the military, their families and communities. I want to recognize and honor those who served or are serving to ensure our democracy, the freedoms we experience every day, and our way of life."

Dues collected by local units, states and national are used to sponsor programs. The membership year runs from January 1st through December 31st so there is still time to renew members for 2018. The 2019 dues may also be paid now.

The online renewal portal is available and renewing by telephone takes only a few minutes. Either option makes it possible to renew quickly and easily. Members can only renew their own membership through the online option. Step one is to create an account on the ALA national website at www.ALAforVeterans.org. An email confirming the account will provide a link to finalize setting up the account; just click on the "renew membership" link and follow directions. Members who prefer to renew by phone or wish to pay the membership dues of other family member(s), may call 317-569-4500 (Monday-Friday, 7:00 am - 3:30 pm) and a very helpful staff member will assist with the renewal process. The

national organization will mail a membership card to anyone who renews by phone or through the website. Andrea Stoltz at Department Headquarters in Portage will notify unit membership chairmen of members who have paid online or by phone.

Newly elected President Char Kiesling has chosen "Kindle the Flame of Service for our Veterans, Military and their Families" as her theme, with emphasis on Faith, Leadership, Attitude, Mentor, and Encourage (FLAME).

Similar to last year, units and individual members will be eligible to win money from random drawings when meeting membership goals on set dates. To be eligible for the following unit awards, membership dues must be AT Department Headquarters by the goal date:

- Early Bird - 1 unit picked at random for \$100 if they are 25% by September 11, 2018
- Smoldering - 1 unit picked at random for \$100 if they are 65% by November 11, 2018
- Flaming - 1 unit picked at random will win \$100 if they are 85% by January 31, 2019
- Roaring - 2 units picked at random for \$100 if they are over 100% by June 12, 2019
- Blazing - 5 units picked at random will win \$100 if they are 100% by December 28, 2018

Twelve members who recruit a new member and submit a FLAME entry form by May 31, 2019 will be picked at random to receive \$50. One form for EVERY new

member (Senior and/or Junior) recruited may be submitted, allowing for multiple chances to win!

The focus for the 2019 membership year will be on positive and timely communication, nurturing new members, civility and mission delivery. Rather than focusing on how MANY people belong, we will focus on WHY people belong. Making membership meaningful is important—demonstrating why we belong and why the ALA matters to us. The ALA is about who we are, what we do (mission delivery) and why we matter (honor those who served or are serving and their families and communities for the sacrifices they made to ensure our way of life).

Thank you for entrusting membership with me. Other members of the Department Membership team include Linda Kostka, Virginia Kodl and Junior member Kallee LeCloux. The membership team believes communication and connecting with others is imperative to build membership; thus, we will be traveling throughout the Department. Please invite us to your events and meetings.

Membership really is about serving our heroes and engaging members in mission delivery to enhance membership strength

Matthew 5:14-16 NIV

14 "You are the light of the world. A town built on a hill cannot be hidden. **15** Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house.

16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven

President Char's theme is "Kindle the Flame" - we need to be the light that glows out of the darkness. In the beginning, God spoke "Let there be light" and it was good, very good. We are challenged by our faith to continue to be the light in a dark, hurting, fearful world.

Light is multi-faceted. It is a noun - as in sunlight; it is a verb - as in lighting a candle; it is an adjective - as in the opposite of a heavy load; and it is an adverb - as in don't take your faith lightly.

Light is a symbol of God's guidance and provision. Moses saw and spoke to God after the flame was kindled in the burning bush. One of the worst plagues was the darkness - the total absence of light. In the wilderness, the tower of flame lead the way signifying the presence of God.

Being in the presence of God caused a person to glow with the reflected Holy Light. Whether you believe Jesus to be a prophet or a Savior, the Sermon on the Mount touches our hearts. He proclaimed, "You are the light of the world."

This year we are being challenged to be that light. Our military and veterans need us to be Candles of Mercy as they deal with so many issues - physical, mental, and emotional. PTSD is real and suffered by both the service member and his/her family. We need to be the light of hope of a new and better tomorrow after the storms clear.

We are to reflect God's love, offering acceptance and forgiveness to all. We are His light of grace. Our eyes and smiles need to show the flame of love in our hearts.

We are to be the glowing candle in the window that says welcome home. We are to be the light at the end of the tunnel that says there is hope.

Let your prayer be that you are indeed the light that those around you need and offer yourself to be in service to a war torn and hurting world. We are all children of God and created in his image. Our goal should be to reflect that. AMEN

[Chorus]

*This little light of mine, I'm gonna let it shine.
 This little light of mine, I'm gonna let it shine.
 This little light of mine, I'm gonna let it shine.
 Let it shine, shine, shine
 Let it shine!*

*Hide it under a bushel NO, I'm gonna let it shine (repeat).
 Don't let Satan blow it out, I'm gonna let it shine (repeat).
 Everywhere I go, I'm gonna let it shine (repeat)*

Congratulations to Bonnie Jakubczyk on a successful year as Department President. President Bonnie's year culminated with the 98th Department Convention at the Oshkosh Convention Center where the American Legion Auxiliary (ALA) was surprised by visits from special guests Governor Scott Walker and National Commander Denise Rohan. Governor Walker thanked the Auxiliary for their tremendous support of the ALA Badger Girls State program and shared that three generations of the Walker family have had the privilege of attending Boys or Girls State - including both of his parents, himself and his two sons! National Commander Denise Rohan thanked the Legion Family for all their support to her and her family during the past year and encouraged members to attend National Convention in Minneapolis.

Wonderful presentations were made by Education Chairman Bethany Fredericks, Membership Chairman Joanie Dickerson, Public Relations Chairman Amy Luft, and VA&R Chairman Mary Petrie. All Department Chairmen were able to share highlights of their programs and answer questions during the open house, "Gallery of SMILEs." A slide show presentation of units and members working the mission was shown throughout convention - thanks to A/V Goddesses Danyelle, Bethany and Jennifer!

AUXILIARY EMERGENCY FUND

Beth Puddy
 Department Chairperson

The Auxiliary Emergency Fund (AEF) was established almost 50 years ago. We continue to Kindle the Flame through the generous donations of Auxiliary members. The eligibility determination and administration of the fund is done at the national level of the American Legion Auxiliary (ALA) and the grant committee keeps all information confidential. The maximum grant amount is \$2,400. Payments are made directly to the mort-

gage company, utility company, school, etc.

President Bonnie also featured "Hello Girls," a documentary about women who served as telephone operators on the front lines during World War I and their 60-year struggle to be recognized as veterans.

Another highlight of department convention included Honored Past Department President Jeanette Riekkoff, who reflected on her year as president in 2003-2004 at an ice cream social on Saturday afternoon. A parade of checks to support both President Bonnie Jakubczyk's and National President Diane Duscheck's special project, the ALA Foundation Endowment Fund, raised \$1,575. Thanks to the generosity of Auxiliary members around the state, Wisconsin contributed more than \$15,000 for this cause during the past year!

Although many units and individuals are worthy of recognition, Bonnie Jakubczyk presented Department President's Awards for Excellence to five units and one county that demonstrated their dedication to the ALA mission through their unit year-end reports.

The convention closed with the installation of new district and department officers. President Char Kiesling's theme for the upcoming year is "Kindling the F.L.A.M.E." (Faith + Leadership + Attitude + Mentor + Encourage) for our veterans, the military and their families. Let your FLAME grow as you demonstrate your support for the ALA and our mission during the year ahead. President Char's special project this year is Wreaths Across America. Units and individuals can support this effort by submitting donations and marking #4844 on the General Fund Suggestion Donation

sheet. Funds will be directed to the three state veterans' cemeteries at King, Spooner and Union Grove. Wreath laying ceremonies are scheduled for Saturday, December 15, 2018. Funds received after November 15, 2018 will be used to purchase wreaths in 2019. Wreaths are \$15 each, but for every two wreaths purchased, Wreaths Across America will send another one free.

In other news from department headquarters, please be aware that 2019 membership cards have been mailed to all units. Any unit that has not received their membership packet should contact Andrea Stoltz at department headquarters immediately.

2019 renewal notices won't be mailed by the national organization until mid-September, but please don't wait until then to renew your dues. To expedite processing, you can pay your dues online (www.ALAforVeterans.org) or call the national organization during regular business hours (Monday through Friday, 7:00 am - 3:30 pm CDT). Members who pay for multiple family members can take care of everyone's dues with one simple phone call to 317-569-4500! New members for 2019 will be processed after September 1st.

If you haven't done so already, please register for an ALA in the Know conference at a location that works best with your schedule. Sign up early as space is limited. A registration form is included on page A4.

National President Diane Duscheck will be wrapping up her year at the 2019 National Convention in Minneapolis. We wish her a successful convention and look forward to her return to Wisconsin

ALA BADGER GIRLS STATE

Danyelle Thompson
 Department Chairman
 Email: alabgs.chairman@gmail.com
 Ph: 920-379-6489

This year, American Legion Auxiliary Badger Girls State (ALABGS) celebrated its 75th anniversary at the University of Wisconsin Oshkosh. More than 700 delegates from all over the state of Wisconsin spent the week learning about leadership, government, citizenship, and all about the American Legion Auxiliary. The delegates began on the local level, establishing 14 cities where they elected mayors, aldermen, and other officials. They produced some very creative ordinances - I think everyone was compelled to sing in the elevators at some point in the week! They moved on to the county structure where they took pride in finding the most talented young women for the State Fair to represent them, and once again the counselors discovered one of the most

popular positions to run for was County Coroner.

Then delegates began to work on the state level. They began by debating what their political party (Nationalists or Federalists) stood for, and the state campaigning began. First, it was the fight to control the Senate and Assembly, but then it quickly moved on to State Constitutional Offices. The delegates who won their primaries represented some of the best leadership the state of Badger had to offer. During the "Meet Your Candidates" session, they stood in front of all 700 delegates and answered some very tough questions about their knowledge of the office they were running for, their beliefs, and how they would make the State of Badger functional.

The delegates did many other things throughout the week. The local American Legion Post and Riders conducted the annual Flag Disposal Ceremony, which is

provide temporary emergency help during financial hardship when no other source of aid is readily available to pay for shelter, food and utilities. It is also for food and shelter during weather related emergencies and natural disasters. In rare cases, educational training for members who lack the necessary skills for employment or to upgrade competitive workforce skills may also be eligible.

Assistance is not available for accumulated debt or medical expenses. Please visit the national website for complete details: <https://www.alaforveterans.org/Members/Auxiliary-Emergency-Fund/>.

ALWAYS a highlight of the week for the delegates. Local leaders came and presented, and at the end of the week a college and career fair was held, with every branch of the military represented along with over 50 colleges and universities. Two delegates were selected to attend Girls Nation in Washington D.C., where I am sure they will make Wisconsin proud.

This week could not have been possible without the over 70 volunteer counselors who gave up a week of their time to come and ensure the delegates had the best time. This week could also not have been possible without the support of Auxiliary units that thought enough of the program to send local girls to experience everything ALABGS has to offer. From everyone on the ALABGS Committee, I extend a sincere thank you to everyone who helped make this past session a great success and we look forward to an even better 2019 session!
