

How to Participate in the 9/11 National Day of Service

9/11 Day, known formally as “Patriot Day,” has been designated by Congress as a national day of service and remembrance to pay tribute to the victims of 9/11 through charitable service and good deeds.

The American Legion Auxiliary urges its members to participate in 9/11 Day. We encourage members to make an official pledge of service on the 9/11 Day of Service website. We then invite members to “pass it on!” and share their pledge with other through Twitter, Facebook or other means. By sharing your pledges of service with others, ALA members serve as role models who motivate and challenge others to serve. Participating in national days of service, such as 9/11, is a suggested activity within the ALA community service plan of action.

Make a 9/11 Day of Service Pledge

To get involved in the 9/11 Day of Service, make a pledge to serve others on or around 9/11. You can participate in a volunteer activity or project of which are already a part and encourage others to join you. Or you can organize a service activity specifically for 9/11 Day. Your service pledge can be as broad or as specific as you’d like, so long as it is in the spirit of service and remembrance. If you are looking for a lead to a specific service opportunity, consider pledging to sign up as Military Spouse eMentor, a new online program sponsored by the U.S. Chamber of Commerce Foundation where volunteers can share advice with military spouses seeking employment. Additional information about the mentor program is available at <http://ementorprogram.org/p/milspouse/about>.
