President's Message

Hello Everyone!

I still plan on making visits to Units as weather permits.

Congratulations to Wisconsin Rapids for being the first 100% Unit in the District! Mosinee and Tigerton only need 2 more members. Keep up the good work everyone!

Unit Presidents, a friendly reminder, please send in your 2023-2024 Unit Officers Form to Department Headquarters as soon as possible. This form should be completed and returned even if your officers haven't changed for the new Auxiliary year. Thank you to everyone that has already submitted this form. I have received several updated forms from Department. However, there are still several Units that haven't returned their form to Department. In order to win any membership awards, you need to have your updated form in to Department.

I am still looking for District Program Chairs for the openings listed in the box below. Please let me know if you are interested in one of them. My contact information is at the top of the newsletter.

A reminder to all Units, if any Unit has any upcoming events that they would like included in this newsletter, please let me know!

As always, if you have any questions, please feel free to contact me either by phone or email.

Thank you for all you do!

Linda Tryczak
