Unit _____,

We would like to **THANK YOU** for your act of patriotism by flying the flag at your home!

This is a sample of the wording you could use for the I Spy - You Fly project.

You can purchase actual door hanger card stock at Office Depot/Office Max, (maybe even Sam's Club, Wal-Mart, Costco?) but I believe it would be more cost effective to use printer paper. You would then create a tri-fold to attach to a door. Paper punch a hole, put a string or a rubber band through the hole, or if using a full page of paper, you could actually cut a diagonal slit and a hole to fit over a doorknob.

The sample is for a half sheet of paper, which on one side, print the thank you, and on the other side you can print Unit activity info, or another idea would be to use a full sheet, print a summary of Unit activity, give a contact name for membership, or make mention of an upcoming activity you'd like to invite the community to, like a Memorial Day program, You would then tri-fold the paper and attach to or slip it between the doors. Or, if you are knocking on doors, just hand them the flyer.

There are so many options, so be creative! This is a great tool to spread our mission and let the public know who you are.
