## PRESIDENT'S MESSAGE

**Diana Sirovina**  
Department  
President

WOW!! I looked at the calendar just now and realized that our year together is already half over! I could use the standard line about "where did the time go", but we

all know that it flew by because we are so busy with not only our daily tasks but our Legion Family lives as well. These months for me have been filled with seeing the dedication and hard work exhibited by our members from the very young to the young at heart. Members give their time, talent and resources to truly embrace the mission of our great organization... "service not self"...caring for our veterans, active duty military and their families.

One of the best examples of "service, not self" has been seeing our members at work at the VA facilities around the state. Over the past couple months I have had the honor of accompanying Commander Wayne Jensen on the VA Hospital visits. While each VA has its own special atmosphere, the one thing that is evident at every hospital is the dedication of our volunteers. Our volunteers are passionate about their commitment to bringing smiles to the faces of our veterans and unwavering in their mission to bring caring and comfort to them.

We heard how these volunteers touch the lives of so many. We heard that some travel many

miles to fulfill their commitment to volunteer at the VA facilities. We heard how many have been volunteers for as long as they can remember, giving countless hours of their time to care for those who served our country. One of the most amazing women I met on these visits was Esther Nimmow at the Madison VA. This wonderful dedicated lady has volunteered over 20,000 hours at the VA. Imagine the level of commitment of Esther and many like her to unselfishly give that much of her life to care for our veterans. Think of it this way...the average person like me in the "working world" who works a forty-hour week spends about 2,000 per year on the job so it takes ten years to reach 20,000 hours. Look at a volunteer like Esther and remember that she willingly gave her time over many, many years to achieve such an awesome milestone in faithful, dedicated service to our veterans. Congratulations to Esther and all our volunteers for a job well done!

At the beginning of this article I mentioned that our year is half over. In light of that, if I were a football coach right now, I would be gathering our team together for a half-time pep talk. So, here goes! Department of Wisconsin we have had a great first half! We have worked hard on membership and programs but we have a long way to go! We cannot become comfortable with what we have accomplished so far. We need to contact ALL those members that still have not renewed their membership for 2013. We need to find new members to keep our organization strong. We need to work even harder on our programs because annual report time is just around the corner. We need to work on civility and more importantly we need to continue "working together" as the Legion Family. Our team is awesome, so let's "take the high road" and have an even bigger and better second half!

## TAKE THE HIGH ROAD

2012

## MEMBERSHIP

Ann Rynes  
Dept Membership Chairman  
Ph: (608) 604-0350  
Email: annies@mwt.net

The Department of Wisconsin holds fourth place in the nation. Congratulations! Keep working membership in your units as it doesn't end with becoming 100%. All units have room for one more member, right? The second national membership milestone was February 14. Were you at 70% by Valentine's Day?? According to the February 13th Membership Report, 52 units were below this goal.

Midwinter Conference is behind us now and our guest, Central Division National Vice President, Mary Jo Berning, left us with a message about junior memberships that are paid by grandparents who become too ill

to continue paying or pass away. When you pay a membership for a family member that is not in your household, it is essential that you make this gift known to the recipient. If the recipient is a junior, make a big deal about what the organization means to you, and make sure she is aware of the Junior Patch Program, reports volunteer work to the unit and is included in poppy promotions. When a granddaughter knows how much the organization and the veterans mean to you, she will continue her membership just to honor your wishes. Be sure to tell her that when you pass on, you want her to promise to carry on your legacy. Give her the gift of an "Honoring their Service" button to wear so she knows why she is eligible. Help her to understand exactly

what that veteran did to make her eligible. If you have the funds, you might consider giving her a PUFLL membership for her inheritance. With the scholarship opportunities alone, membership is worth its value over the years.

The 'Alive Day Memories: Home from Iraq' documentary that was shown at Midwinter was well received. "Very moving" and "powerful" were a few of the comments made. Due to time constraints, only four of the ten interviews were shown and many attendees inquired about availability of the DVD. Amazon.com and HBO.com sell it for about \$14.99. Share it with your unit and your entire Legion Family. Plan a special day to meet at the Post for a potluck and spend an hour viewing the DVD. I guarantee that you will be ener-

gized to continue the great work that we do and truly reiterate that what we do as a family matters!

A friendly Legion membership competition came to fruition at Midwinter as well. Department Vice Commander, Ken Rynes, had his three District Commanders from the 3rd, 8th and 11th see who could achieve the highest percentage of increase in membership for a period prior to the conference. The winner was king for the night and the other two were his jesters - costumes and all! **Working Together** on membership can be fun!

The District Presidents already have friendly wagers that were made last year. Why not use it in your county or a neighboring unit from a different district? Use your imagination. One unit in the Southern

Division divided their members into teams and gave them a list of names and numbers that had not renewed. The team that collected the highest percentage was treated to a potluck by the losing team. The winning team was served with fine china, linen tablecloths and napkins, and real silverware, while the losing team had the paper goods. The losing team had to clean up also. How fun is that?

Remember to "Take the High Road" in all you do and good will be sure to follow.

Not only did we celebrate Valentine's Day this month, the first Sunday in February was dedicated to the Four Chaplains. The Army Chaplains were: Lt. George L. Fox, Methodist; Lt. Alexander D. Goode, Jewish; Lt. John P. Washington, Roman Catholic; and Lt. Clark V. Polling, Dutch Reformed Church. These brave chaplains gave their lives to save other civilian and military personnel during the sinking of the troop ship USAT Dorchester on February 3, 1943. They helped other soldiers board lifeboats and gave their own life jackets when the supply ran out. The chaplains joined arms, said prayers, and sang hymns as they went down with the ship. Survivors could hear them praying in different languages. Of the 902 people aboard the ship, 230 survived. "Chapel of the Four Chaplains" opened February 3, 1951 in Philadelphia, PA. The purpose of this interfaith shrine is to bring unity without uniformity.

### PRAYER

Heavenly Father, We give thanks for the courageous Four Chaplains who demonstrated to us that in unity you can make a difference. Please help us to put our differences aside, so that we may act in unity as a living memorial to the Four Chaplains. May our love and faith continue to grow for God and Country. In Your name we pray,  
 Amen

### MUSIC

**O GOD OF EVERY NATION,  
 VERSES 1-3**  
**Words by William W. Reid Jr. (1958)**  
**Music by David Evans (1927)**

O God of every nation, of every race, and land,  
 redeem the whole creation with your almighty hand.  
 Where hate and fear divide us and bitter threats are hurled,  
 in love and mercy guide us, and heal our strife-torn world.

From search for wealth and power and scorn of truth and right,  
 from trust in bombs that shower destruction through the night,  
 from pride of race and nation and blindness to your way,  
 deliver every nation, eternal God, we pray!

Lord, strengthen all who labor that we may find release  
 from fear of rattling saber, from dread of war's increase;  
 when hope and courage falter, Lord, let your voice be heard;  
 with faith that none can alter, your servants undergird.

 FOR GOD AND COUNTRY*

## GREETINGS FROM HEADQUARTERS

National Vice President Mary Jo Ber-ning attended the Auxiliary's Luncheon at Midwinter Conference and recognized Wisconsin for being third in the nation in membership at that time. Of course, her native Iowa continues to hold first place. While we congratulate Iowa, is the Badger State really going to let the Hawkeyes claim the championship?!

Membership Chairman Ann Rynes showed excerpts from an HBO documentary entitled "Alive Day Memories: Home From Iraq," which featured personal stories of service men and women who returned from war following their narrow escape from death. This graphically tragic yet inspiring video reinforces

why Auxiliary membership is so important – it honors the sacrifices of those who have sacrificed so much for us! If you haven't renewed your membership yet, please do so today.

Auxiliary scholarship applications are posted on the department website and must be submitted to Education Chairman Kitty Larkin by March 15th for consideration.

The Unit Annual Impact and Narrative Reports are due in April. These reports are the best tools for the American Legion Auxiliary to be recognized for all the wonderful things we do throughout the year. Let's stand up and be counted! Every Unit does something – from distributing poppies to hosting a charity bake sale. Members should be proud of their service and ensure the unit president reports it.

Members are encouraged to attend dis-

trict spring conferences to find out more about the Auxiliary and thank the district officers for all their hard work. A detailed conference schedule is listed on page A4.

Badger Girls State still has space available. Check out their website ([www.badgergirlsstate.org](http://www.badgergirlsstate.org)) for up-to-date information on the 2013 session and submit your unit reservation form if you have not already done so.

Units must submit a Member Data Form by May 1st for each deceased member they wish to have listed in the 2013 Department Convention Memorial Book.

National Headquarters mailed second renewal notices to anyone whose dues were not received at Department by mid-December. If you feel you received a notice in error, please verify with your Unit Membership Chairman that your dues were forwarded to Department.

## HOME SERVICE

**Judy Kuta**  
**Department Chairman**

Home Service is such a rewarding program because all of the American Legion Auxiliary members can participate. Unit members who are confined to home and can no longer participate in Unit activities are very important to the Home Service program. The word "Home" says it all. The volunteer does the work in her home. She might sew, knit, crochet, bake or create. The items she makes go to veterans in VA Medical Centers, Wisconsin Veterans homes, nursing homes, assisted living facilities or to veterans in the community.

Junior members and non-affiliated volunteers can also participate in this program.

Patterns are available for items needed at VA Medical Centers. Please contact the hospital representative at the hospital nearest you to verify what specific items they need. Tray favors, greeting cards, bedside favors, wheelchair bags and lap robes are just a few of the items you may want to make. All of the items the veterans receive are special and put a smile on the veterans' faces. Home Service is a great way to remember and honor their service to us.

I have heard from several members who had questions about Home Service and how to report their hours. Each participating volunteer should be recording their hours on the individual tally sheet. Those sheets are due to your Unit VA&R Chair-

man or your Unit President by April 1st. It is important to keep a record so we can report all we do for veterans to Congress.

You may also qualify for a Home Service Pin or a bar for hours this year, but I need to get a report of your hours to process those awards. Hours are cumulative from year to year so keep writing down what you do.

If you have any questions, please feel free to contact me at [ronkarmy@aol.com](mailto:ronkarmy@aol.com) or 262-377-8613. I love hearing about your projects and am always happy to answer your questions.

Keep busy working for our veterans. Put a smile on their face and a good feeling in your heart.

Thanks for all you do!

## EDUCATION & SCHOLARSHIPS

**Kitty Larkin**  
**Department Education Chairman**  
**Ph: (262) 649-3399**  
**Email: kittysltr@wi.rr.com**

This time of the year leads us to thinking about scholarships. As Benjamin Franklin said, "An investment in knowledge pays the best interest." Usually the best time to make scholarship donations is when budgets are set. However, a donation to a scholarship fund can be made at any time – as any time is a good time to invest in our future. Promote the availability of department and national Auxiliary scholarships within your Unit, remembering that the

applications must be submitted to the Unit President by March 1st and forwarded to Department Chairman Kitty Larkin by March 15, 2013. The three requirements most often disregarded are:

- 1) making sure the applicant has a veteran in the family,
- 2) obtaining the Unit President's signature,
- 3) units submitting more than one application per scholarship.

Failure to follow these requirements guarantees disqualification for a scholarship.

The Education program is more than scholarships so don't forget to apply for the Unit Education Awards

as listed on the department website ([www.amlegionauxwi.org](http://www.amlegionauxwi.org)). Plaque awards are presented to units with the Most Outstanding American Education Week Program, Most Outstanding American Literacy Program, Most Outstanding Scholarship Program, or Most Outstanding Veterans in the Classroom Program. Citations are awarded to every unit participating in the 'Give 10 to Education' program. Send applications to Department Chairman Kitty Larkin by May 1, 2013.

I look forward to being inundated with scholarship applications and the various program award applications.

## CHILDREN & YOUTH

**Email: [mmrtpetrie@charter.net](mailto:mmrtpetrie@charter.net)**

Resolution is defined as a firm decision to do something. New Year's resolutions, made with the best of intentions, often and quite quickly fall by the wayside. As that focus loses steam, the journey to reach those goals comes to an abrupt halt. Sound familiar?

The purpose of the ALA's Children and Youth program is to protect, care for and support children and youth, particularly those of veterans' and military families. Are your C&Y resolutions on track? Have you been successfully developing, implementing, and monitoring programs and activities that contribute to the physical, mental and overall wellness of our children?

While every month is Children and Youth month, April is the officially designated month. Are you planning a special program? Distribute the C&Y Word Search (available on the depart-

ment website) for a fun program refresher. Now is a great time to review your accomplishments in preparation for the Annual Report. Double-check the Plan of Action; organize your stats; add up donations; calculate the number of children served, noting military, non-military, or combined; and report the number of hours and volunteers involved, mentioning any partnerships formed within the Legion Family, other organizations, or community-wide. Don't forget to share what you're doing! Ignite your enthusiasm with pictures and newspaper articles.

Looking for an easy project for C&Y Month? Consider National's 'change for the better.' Encourage members to save their change for the April meeting. Challenge them to empty coin purses and pockets at the meeting and send that money to the Child Welfare Foundation! Remember, CWF is a Legion partner that accepts funding proposals from nonprofits for projects contributing to the

physical, mental, emotional, and spiritual welfare of children throughout the U.S. The Legion covers all expenses, allowing 100% of contributions to be given in grants – and they're tax deductible!

National ALA President, Peggy Thomas, has chosen The Children of Warriors National Presidents' Scholarship as her special project. With a \$30,000 goal, donations honor the sacrifices of the children of those who served. The scholarship awards thousands of dollars to 15 outstanding students around the country, helping to fulfill their dreams.

Encourage reading! Hit the internet or a bookstore. Purchase a book or two to gift to a military child, a grade school, or to the local library. Consider hosting a Story Hour and offer a book as a door prize.

Find a way to honor the children of those who are serving. They are serving, too!

By **Working Together**, those resolutions will reach and surpass their goals.

## COMMUNITY SERVICE

**Sharon Zales**  
**Department Chairman**  
**Email: [samzales@charter.net](mailto:samzales@charter.net)**

I am anxious and excited to read the unit year-end reports! I am so eager to see how you Wing Walkers are reaching out to your communities that I can hardly wait for the paperwork to tell me your stories. Make a Difference Day was in October and I look forward to hearing how you observed that day. Did you make a meal for a shut-in veteran or visit someone in a nursing home to brighten their day? Veterans Day on November 11 is such a special day for all of us and I look forward to hearing how you helped your community remember our veterans. For our December observance, did you put an article in your local paper to honor a veteran in your community who was at Pearl Harbor? January 21 was

Martin Luther King, Jr. National Day of Service and I am interested to hear how you honored the Reverend Dr. King's memory on that day. Yet to come is the Month of the Military Child and National Volunteer Week, both in April and then it will be report time.

Suggestions you ask? You can assist a child of a veteran in your community – perhaps with an outing or a special little gift. If a parent is deployed, you can help the spouse left behind in your community by inviting the family to an event; visiting or sending a card to let the family know you care and can help if they need it. Have you sent care packages overseas or written to our service members? There are many resources on the internet that can help you find a project. Your unit could host a fundraiser to help with the cost of lodging for an

injured veteran or even provide transportation to an appointment. Units can collect items for Operation Comfort Warriors to meet needs at the VA hospitals, but please be sure to contact the hospital to find out what is needed first. "Operation Shoebox" will help to send support like snacks to deployed troops. How about taking care of a pet for a deployed service member? As you can see, there are many ways to reach out. And don't forget to ask for help from the community also. Many businesses and other organizations are only too happy to help if they can.

So I salute you, Wing Walkers! What you do for our community, whether for veterans or the community itself, is priceless and needed so much. Thank you for your service and God Bless America.

## Unit 384 Helps Out During the Holidays

*The Robert G. Romaine American Legion Auxiliary Unit 384 of Kewaskum and Modern Woodmen Insurance Agency donated items to fill twelve baskets with food, caps, gloves, shampoo, toothpaste, and ham or turkey gift certificates. The baskets were given to local churches for distribution to families in need during the holidays. Pictured (left to right): Gwendolyn Dreher, Joan Bielaga, Charleen Barutha, Isabelle Muck-erheide, Jeff Jager and Chaz Dreher.*

## Special Guest at Midwinter Luncheon

*The Wisconsin American Legion Auxiliary was pleased to host Central Division National Vice President Mary Jo Berning at the 2013 Midwinter Auxiliary Luncheon. Pictured (left to right): Membership Chairman Ann Rynes, Mary Jo Berning, Department President Diana Sirovina, and Membership Committee Member Berne Baer.*

## Recognition at Midwinter Luncheon

At the 2013 Midwinter Auxiliary Luncheon, President Diana Sirovina recognized Deb Meyer, Creative Director and Owner of Vision Printing & Graphics, for her support to The Legion Family as our print broker.

Deb not only honors our veter-

ans and military through her Auxiliary membership, but constantly looks for ways to reduce printing expenses to maximize our impact on mission-focused programs. Deb saved the Auxiliary over \$900 – just on printing and mailing the annual calendar fundraiser!

*Pictured (left to right): Department President Diana Sirovina and The American Legion Family print broker Deb Meyer.*

## Spot the Newest Auxiliary Members

While Commander Jensen and his wife Donna celebrate the arrival of their first grandchild, Ivy, the American Legion Auxiliary celebrates the addition of TWO new members!

Both Ivy (17 days old) and her great grandmother Charlotte (99-years-old) joined the

Auxiliary this month! This just proves it's never too early or too late to join the Auxiliary. Ivy is eligible for membership through Commander (Grandpa) Wayne Jensen; Charlotte is eligible through her son John who served in the Air Force during the Vietnam era.

*Pictured here are four generations of Auxiliary members: (left to right): Donna Jensen, Sheila Keaton holding Ivy Charlotte Mable Keaton, and Charlotte Powers. Welcome to The Legion Family!*

## HAPPY 94TH BIRTHDAY!

March 15th is the date officially designated as The American Legion birthday. On that date in 1919, the first American Legion caucus, held by members of the American Expeditionary Force, convened in Paris.

Celebrating The American Legion Birthday at local Posts is the perfect opportunity to recruit new members. Invite the general public for birthday cake, explain the numerous benefits available to members, and share information about the Legion Family programs. This celebration allows the American Legion Family to reflect on the

outstanding service and sacrifice of our young men and women serving our nation. It is equally important to show the general public how we care for the families of those who have and continue to serve in uniform. What better way to say "thank you!" Make your American Legion Birthday celebration one that the community can learn from and they too will be willing to share what we do. Good word spreads quickly.
