The sooner you reach out to Joanne about interest the better. I would love to be able to mentor the next president. It would be amazing if that was even 5 members!! We have made great progress in the District and the only way to ensure our strength grows is to help each other. We are not here to throw someone in and watch them flail like a fish out of water, we are here to mentor and help them SOAR!! I was blessed to have an amazing team for my term and have Past District President Zondra allow me to help so I didn't step in without knowing anything. SOO, reach out to Joanne and get an endorsement from your unit and or county to run so you can have some enlightenment and help before the election.

Spring Conference will be something a bit different once again. A fantastic idea was brought forth and I loved it so we are running with it!
