## PRESIDENT'S MESSAGE

**TERESA ISENSEE**  
Department  
President

Are you Raising your Voice in Song for our Veterans? One way to support our veterans is by attending the National Veterans Creative Arts Festival. This year the national festival will be in Milwaukee from October 27 through November 2. To volunteer or to reserve FREE tickets to the Art Exhibit and Stage Show at the Milwaukee Theater on Sunday, November 2nd, please contact Marisa Straub at Marisa.

straub@va.gov or call 1-888-469-6614 ext 48653. The art exhibit opens at 12:00 noon and the stage show performance is at 2:00 pm.

"No work is insignificant. All labor that uplifts humanity has dignity and importance and should be undertaken with painstaking excellence."

— Martin Luther King Jr.

How do YOU make a difference? What are you doing to enhance the lives of our veterans, our military, their families and our communities? Auxiliary program Plans of Action will give you and your unit suggestions on how you can Make a Difference. Share your stories

and pictures with other Wisconsin Auxiliary members by posting on our Facebook group AMERICAN LEGION AUXILIARY DEPT OF WI. This group can also be used to promote an Auxiliary event or a unit/county/district meeting. Let's get the word out about who we are, what we do and why we matter.

Please contact the department program chairmen if you have any questions on their published Plans of Action and "how to" sheets. By promoting our programs, our membership will increase and help us on our way to the national goal of one million members by 2019.

National President Janet Jefford

will be visiting Wisconsin from October 23-25. A dinner reservation form was in the September Unit Mailing and is posted on the home page of the department website. Please join us at the Eau Claire Legion Post on Friday October 24th to meet President Janet. President Janet Jefford's theme is "Celebrating Faith, Family, and Freedom" – faith in our God, one another, and our leaders; working together as a Legion Family.

REJOINING LAPSED MEMBERS – When a member who has lapsed her membership and wants to rejoin, the unit MUST verify her eligibility; use her original Mem-

ber ID number, complete a Member Data Form (be sure to check the REJOIN box) and submit to Department with the Transmittal Form (do not check the "new" box). If you have any questions, please give Andrea Stoltz a call at Department Headquarters.

In the spirit of goodwill, introduce a friendly feeling into your Unit meetings. Create a Thoughtful Brigade – a group of Auxiliary members dedicated to making all members feel welcome and valued in our organization. We are all volunteers and need to know that what we do does Make a Difference.

### A Spoonful of Sugar Makes the Medicine Go Down!

There is some truth to the words of this song. So what is this medicine we speak of? In this case, it is the work of spreading the word about the wonderful work of our American Legion Family. By doing this and becoming the "go to" organization in our communities, we make it enticing to be a member of this, the largest women's patriotic group in the world.

Using Department President Teresa Isensee's theme can be a light-hearted way to approach the serious work of caring for veterans, their families, our troops, and our communities. You can certainly see how this attitude can make it easier

to reach our goal of renewing every member on our roster. We can even entice former members to come back. And we can't forget to ask everyone who is eligible. They deserve to be a part of the great work we do. There's no need to sugar coat the fact that we, the women of the Wisconsin American Legion Auxiliary, reported raising over \$350,000 in poppy distributions in the 2013 year and that's pretty sweet!

Do you still think membership is a dull, bland program? Let me refer to a couple of songs about spicing it up then. Have you heard of "Salt of the Earth" by the Rolling Stones or "Salt and Pepper" by Harry Chapin? As my favorite motivational speaker, Joyce Meyer, says, "Each day when you go out into the dark, tasteless world, you can be the flavor it needs." As we love people and care for them through our programs, we are showing how we can add flavor

to the lives of others. Our positive attitudes and enthusiasm can be just the spice that makes belonging to the American Legion Family such a delightful pot luck meal filled with all the flavors we need.

We will be holding at least four "Concert Tours" around the state this fall that will give you a taste of how we plan to teach this philosophy. The current schedule is as follows: Fond du Lac on September 27, Waukegan on October 4, Union Grove on October 18, and Thorp on October 25. Registration forms are listed on the home page of the department website. Let's remember that our motto is "For God and Country" so we want to let God lead us as we "Raise Our Voices in Song."

## 2014-2015 NATIONAL PRESIDENT JANET JEFFORD

Janet Jefford joined the American Legion Auxiliary through her father William Lucas, a World War II Army veteran. She is also eligible through her son, Jeff, a Desert Storm Army veteran. Janet is a member of Goodale-Rameker Unit 56 in Connecticut.

"Celebrating faith, family and freedom is what the American Le-

gion Auxiliary is all about," Jefford said. "Faith in our God, one another, and our leaders; working together as a Legion Family and with our community families toward a common mission; and freedom to be who we want, say what we want and worship as we want, thanks to the selfless men and women who have died for those freedoms. I am so honored to be given this extraordinary opportunity to lead our organization as national president."

Jefford is the first Connecticut resident to represent the American Legion Auxiliary as national president since Helen Lee Gilbert during the 1944-1945 administrative year. She has held numerous leadership positions in the organi-

zation at the unit, district and department levels, including eight national program chairmanships. She currently serves on the 2014-2019 Centennial Strategic Planning leadership team.

Jefford recently retired as Vice President of Institutional Effectiveness at Goodwin College in East Hartford, Connecticut. She served as a commissioner on an agency that accredits schools and colleges, and as president and chairman of the Board of Connecticut Training Center, a community-based nonprofit training center. Jefford has two children and two grandchildren. All are members of The American Legion Family. Connect with National President on Facebook.

The daylight hours grow shorter and the evenings are cooler. Seems like yesterday we were celebrating the beginning of summer and here we are, heading into fall. On my way to work this morning I pulled to the side of the road to take a picture of a rainbow. After arriving at work, I was drawn to the window where I could see a double rainbow! Of course I had to have a picture of them, too. Rainbows make me think of new beginnings and promises made. So although summer is winding down and fall will be upon us very soon, we have fall colors and harvest time to look forward to. Even though we face difficult times, our Heavenly Father has promised to be with us always. All He asks is that we place our faith in Him

### MY PRAYER, by Milly Patzer

Heavenly Father, Your grace I pray  
 To help me through each coming day.  
 When times are hard, my spirit's low,  
 Upon my knees to You I go.  
 I know that You will hear my plea,  
 For You are always watching me.  
 You may not answer right away,  
 But my fears will go, they do not stay.  
 Then in Your time and at Your will,  
 Your peace will come if I am still.  
 So I will trust my faith to You  
 Your word and love are always true.

### MUSIC

Our most immediate past music chairman as well as several former music chairmen have promoted "To The Auxiliary" as a nearly forgotten song of our organization in hopes that it will be revived. I am one that sang it at many meetings in the past. I will again have copies of it at the Fall Informational Forum for anyone interested in helping bring back this wonderful song. We may even have a few ladies willing to perform it for those in attendance! Additionally, there is an auxiliary song called "For God and For Country". Maybe we can make this a regular part of our meetings as well! Let's see what we can do as we raise our voices in song for veterans.

### For God and For Country by Richard Feiner

I know that You are always right beside me  
 For God and for country we'll carry on together.  
 Let justice and freedom reign undaunted in our hearts forever.  
 All through the nation in exultation  
 We salute thee, O great Auxiliary of Legionnaires.  
 For God and for country in legion we assemble  
 'Mid peaceful endeavor, let no tyrant cause our hearts to tremble.  
 First in salvation, pride of the nation  
 We salute thee, O great Auxiliary of Legionnaires.

## GREETINGS FROM HEADQUARTERS

**Bonnie Dorniak**  
 Executive Secretary/Treasurer  
 Ph: (608) 745-0124

Email: [deptsec@amlegionauxwi.org](mailto:deptsec@amlegionauxwi.org)

Past Department President Joyce Endres and District President Judy Kuta were honored to receive the National President's Award for Excellence on behalf of Peter Wollner Unit 288 in Cedarburg at the 2014 National Convention for the unit's work in support of veterans, military, and their families. This is the third year that a Wisconsin unit has been recognized by the National President. CONGRATULATIONS CEDARBURG - YOU MADE US ALL PROUD!

With national convention behind us, it is time to welcome in the new ALA administrative year. Newly elected National President Janet Jefford's theme for 2014-2015 is Celebrating Faith, Family and Freedom. See the article on page A1 for more information about our new national president.

The national organization rolled out the 5-year Centennial Strategic Plan at national convention. The impact of an organization is measured by how well it meets its mis-

sion. Well-run organizations have one thing in common: a viable strategic plan that keeps the organization focused, is continually reviewed and updated for relevancy, and benchmarks its accomplishments. The Auxiliary's national strategic plan includes five goals that Wisconsin will adapt to achieve growth and stability at the state and unit levels. The hard work of planning is well worth the time and effort because it means we will be able to serve more veterans, members of the military and their families now and in the future. Watch for more information in the months to come.

In the movie, Field of Dreams, a young farmer plows under his cornfield to build a baseball field. After facing bankruptcy and family strife, hundreds of cars can be seen approaching the field as they come to watch baseball at the end of the movie. As in the movie, it is my strong belief that if we promote all the good work the Auxiliary does through our programs, women will want to become involved members of our organization. If your unit is doing something unique to support our veterans, military and their families, please contact me. I would like to

highlight some of these activities and success stories in future Wisconsin articles. Your ideas may be of interest to others who would like to duplicate your work in their own community.

National Headquarters mailed 2014 Membership Renewal Notices on September 15th. If a member believes she received a renewal notice in error, she should contact her unit membership chairman to ensure her dues were processed. It may be possible that things crossed in the mail or that the unit has not forwarded the dues to Department.

THANK YOU to everyone who has already responded to our annual calendar fundraiser. Donations support our mission. Contact Department Headquarters if you want additional entry forms. They make awesome birthday, Christmas, and anniversary gifts! You could win more than once because winning entry forms are returned to the barrel every day. Daily prizes are \$15, Sunday prizes are \$25, and there are 14 special days with \$500 prizes! The last day to enter is December 31, 2014. Daily drawings start January 1st.

## NATIONAL SECURITY

**Amy Luft, Department Chairman**  
 Ph: 414-651-7300  
 Email: [amyjluff@gmail.com](mailto:amyjluff@gmail.com)

The purpose of the American Legion Auxiliary National Security program is to maintain and promote a strong national defense by strengthening and supporting military service members and their families.

As Auxiliary members, it is our duty to step-up to help our country be its best, help keep our people safe, and forge a better, stronger global future. This begins by honoring those who serve in uniform and their families. You may choose to help support National Security as a unit or as an individual member. There are many programs to choose from:

- Make a donation to the Support Military Families fund which provides financial assistance here in Wisconsin to those

in need. Please use the General Fund Suggested Donation Sheet on the department website to forward these donations.

- Cut coupons for overseas commissaries. Visit [www.grocerysavingtips.com/pl/military-family.html](http://www.grocerysavingtips.com/pl/military-family.html) for a list of bases currently accepting coupons.

- Support the new Fisher House that is currently under construction on the Zablocki VA grounds in Milwaukee or the Fisher House in Minneapolis. Please use the Poppy Fund Suggested Donation Sheet to forward these donations to department headquarters. Visit [www.fisherhouse.org](http://www.fisherhouse.org) to see how you can support programs such as Hero Miles and Hotels for Heroes.

- Partner with the local USO Center in Milwaukee. The USO lounge at General Mitchell Airport is in need of snacks and treats for their members. Have your unit

take the "Snickers for Soldiers" challenge. Fill a box with Snickers candy bars (or any other type of non-perishable treat) and deliver or ship the box to the USO lounge. Visit [us.uso.org/wisconsin/](http://us.uso.org/wisconsin/) for more information.

- Host an Emergency Preparedness clinic at your Post with your Legion Family. For ideas on how to make an emergency plan go to <http://ready.wi.gov>.

Make sure that you and your unit report on all your activities. Keep me informed and log your information on your annual reports. Contact me at any time for assistance.

In concert with President Teresa's theme, Raise your Voice in Song for our Veterans, I encourage you to also raise your voice in support for our active military, their families, and our nation.

## EDUCATION

**Christine Johnsen**  
 Department Chairman  
 Phone: 715-203-2015  
 E-mail: [cmj102@aol.com](mailto:cmj102@aol.com)

Learning occurs every day and can happen anywhere, and as children and many adults return to school this fall, there are many opportunities for Auxiliary members to promote education. The Education Program supports the American Legion Auxiliary's role in providing quality education for children and adults through classroom activities, literacy programs, scholarship promotion and support of education beyond high school, especially for military and veteran's children.

Collaborate with your American Legion Post and start planning now to present Veterans in the Classroom at local schools. Consider alternate locations, too, such as at after-school programs at the Boys and Girls Clubs or a public library.

American Education Week is November 17-21, 2014. This is an excellent time to connect with local schools and recognize the contribution of teachers and all school personnel in the education of our next

generation. Cards, flowers or a heart-felt "Thank You!" are all great ways to accomplish this.

In the Give 10 to Education program, Auxiliary members collect school supplies for local schools in increments of 10. Start a collection box now to prepare for much needed replenishment of school supplies when the second semester begins.

Another important aspect of the Education program is the many unit, department, and national scholarships that are available.

National scholarship applications can be found in the Department Education Plan of Action and Department of Wisconsin Auxiliary scholarship applications will be available under the Scholarships link on the Department website.

The most important thing to remember when reviewing scholarship applications is they need to be complete and all requested items need to be included. Too many deserving applicants are disqualified for incomplete applications. Please work with the scholarship applicants in your area and review applications for completeness at the unit level prior to submitting them.

Finally, take credit for the wonderful work that you do! Mid-Year reports for Education are due on December 15, 2014 by email or mail. The narrative reports should include details on work for the Give 10 to Education program, Veterans in the Classroom programs, unit support of veterans' associations at institutions of higher learning, and any assistance provided to students in need.

Please contact me with any questions or concerns related to the Education Program.

# 2014-2015 Department President TERESA ISENSEE

Teresa Isensee of Boyd Unit 326 in District 10 was installed as Department President for 2014-2015. Pictured below is Teresa with installing officer, Berne Baer and her husband, Steve Isensee.

**MISSION:** In the spirit of Service, Not Self, the mission of the American Legion Auxiliary is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad. For God and country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security.

## AUXILIARY MISSION IN ACTION: HONOR OUR VETERANS!

Jackson American Legion Auxiliary Unit 486 honored veterans from Post 486 and Washington County at their Memorial Day services. People throughout the community signed a large "thank you" poster which was presented to the veterans along with a poppy wreath. After the services, Unit members served refreshments at the Community Center.

## DEPARTMENT HISTORIAN

**Char Kiesling**  
Department Historian  
Home: (920) 725-0121

Email: charbabyrn@yahoo.com

Every unit, county, district, and department has a history to record, to share and to "pass on" to the future of our American Legion Auxiliary. The definition of HISTORY is the chronological record of significant events.

"Everything we did yesterday is HISTORY, but only if we

record it!"

History is only as accurate as the information available to the Historian. Here are a few hints to get you started: 1) try to attend and record as many meetings and events as possible, 2) take a notebook along to jot down happenings and details as they unfold, and 3) always write your HISTORY in the third person, using "he, she, it, and their." Don't switch persons in

*"Don't lose sight of the past if you want to build a better future."*

the middle of your sentences. Remember, your HISTORY is only useful if written accurately and in a timely fashion, making it as clear to the readers as possible.

"Today's present is tomorrow's past and yesterday's past is today's present". That's why our HISTORY is a gift!

Please send me your unit activities for your Veterans and youth from the beginning of

the year. I need to include them in the Department History. Let's have a HISTORY submitted from each unit this year to reach 100%. Wouldn't that be historical!

You, as an historian, have a very important and intense job. As historian you hold an office that is one of the most important to your unit, county, and district. I will pass along more information in future unit mailings.
