Flight "Noble 9"
taking off to new heights

Greetings from the Noble 9th District.

I want to start by saying Thank You for placing your trust in me to be your District President for the next two years. I pledge to do my very best.

Here is a little of my background. I am a 32yr PUFL member of the Krause-Kraft-Mueller Unit 106 in Seymour. My eligibility is through my deceased father who was a WWII Army Veteran. My professional career is in the insurance industry with 45 years ranging from the company side right out of college with an accounting degree to my current position of 27 years at an independent insurance agency as a licensed agent. I'm looking forward to retiring in 2 years and 8 months but whose counting (yes, I am). Those who know me call me a sports nut as I enjoy watching sports with an emphasis on football. My two favorite teams are the Green Bay Packers and any team that beats "Da Bears".

During the August Executive Committee meeting, the incentives for 2026-2027 were approved. There will be two drawings with the first one on Oct. 30, 2026. To be eligible, each unit must have their 2026-2027 Unit Officers form into Department by Sept. 30, 2026, and all unit officer's dues must be paid. The prize will be \$180.00 split with \$90.00 going to the unit and \$90.00 going to a non-profit of the unit's choice. The second drawing will be in May 2027. This incentive will emphasize Year End Impact reporting. To be eligible, each unit must have the Unit Officers form into Department, officer's dues must be paid, District dues must be paid, and the Year End Impact report must be to the District President by April 15, 2027. The winning unit will receive \$90.00 and \$90.00 to a non-profit of the unit's choice.

9th District will have an ALA In the Know session hosted by the Seymour Unit 106 on Sept. 12, 2026 held at the Methodist Church. Hope to see you there. For those of you attending, be sure to get my attention and introduce yourself. Also, if you have any questions, don't hesitate to ask them.

LuAnn James, 9th District President
