

*Happy February and March*

# *1st District Newsletter*

*Greetings from your 1st District  
President Zondra Morris*

Hello everyone, I hope that we survived all this crazy weather. I guess they always say wait 10 minutes and it will change, that is the truth. February is almost over, and we are still working the programs doing what we need to do for our Veteran's and there families. I pray that we have a good next few month as we have more get togethers and events spring is around the corner if we can hang on it looks to be good.

The Legions all or most are having their birthday party for their posts. I hope that you will invite me or any of the officers; we would all like to visit and come to your post and meet all your members.

February found us in 3 rd District on the 18 th for their Poppy poster workshop and meeting. I would like to thank Karen Runk for a very educational meeting. I know I learned a lot from this. It was very nice to

meet so many more member of this District. We need to do more of visiting each other's Districts as we can learn so much from each other maybe someone has an idea and another person can use it and change it up to make it work in there Districts. Membership is important and I know many will say why.

If you have been a member for longer than 5 years, for example you have so many benefits that you can take advantage of, there is so much. Here are just a few of the things that you can get.

Insurance- Allegiance Accident Protection plan offered by Hartford.

Health care- Bluestar Senior tech the number is 1-800-600-1724

This is a nice site. The First District has done so well that I can not thank you all enough for what you all have done and continue to do. I am in awe of all the things we do as a group.

On a personal note, I am very grateful and thankful to you all.
