"May your Journey always Lead you Home"

August 2024

Dear 1st District

I am writing to you from the National Convention. I am excited to attend many meetings here and learn all I can to help grow our district in every way. I am most excited to attend the Constitution and Bylaws pre convention committee to see how this is run as well as learn about the resolutions proposed for voting this coming up week.

Our District still need some more members to step up for leadership roles. Do you have passion for Americanism, Community Service, Education, Jr activities, Leadership, Legislative, or our Poppy Program?? If so please step up and help fill the seat. You can check our Department website under programs to learn about each of them and see if this is something you would like to try. The key word is try. I am not expecting perfect, I am expecting new friends, new ideas, and new knowledge which along with mistakes and laughter to grow. I am also available to talk about these positions that peak interest via email, phone call or text. I would like to have the committee chair speak at a conference to help educate our district on what they found out about the program and how we can work it. I would also like to remind everyone you do not have to be or have been any officer to fill this role. I look forward to hearing from members.

I will not be having county reports at the Fall Conference. Instead I would like to save these reports for the Spring conference, as many units do not host events throughout the summer.

Upcoming events
