

American Legion Auxiliary Department of Wisconsin ALA in the Know

12-29-2022

Attn: Unit Officers and Members,

With the start of 2023 the ALA in the Know committee as begun to look at the program we will be presenting later this year.

Requirements for Units hosting ALA in The Know forms were included in the last Unit mailing, we have already received a couple "Request for Proposal" form. They are both for the central or southern part of the state, it would be really great if a Unit from the northern part of the state would be willing to open their doors to host a session. We feel it is important to give all members the opportunity to attend a session and not have to travel a great distance. So please give it some thought and discussion.

To help make this year's program more informative to the membership we are looking for suggestion/ideas of what topics you would like to be presented. We want this program to be member driven not just the ideas of the committee.

Committee's ideas are:

- Officers training – let us go back to the basics
- The 4 Pillars program
- Meeting procedures
- Conflict resolution
- Team building/breakout sessions

Remember all ideas are good ones so we hope to have a lengthy list to select from!

Send your suggestions/ideas to ALAITK Chairman, Patti Westpfahl at email pjw1975@ymail.com no later than March 1, 2023.

Thank you,

Patti Westpfahl
