PRESIDENT'S MESSAGE

TERESA ISENSEE
Department
President

"What would you do if I sang out of tune? Would you stand up and walk out on me?"

Lend me your ears and I'll sing you a song

And I'll try not to sing out of key. Oh I get by with a little help from my friends"

—as sung by Joe Cocker

Today while I was writing this article, Char Kiesling posted pictures

of the spring cherry blossoms, beautiful pink and white colored blossoms along a tree lined sidewalk. My thoughts quickly had me wishing that I was sitting there on a bench drinking a cup of coffee and visiting with my friends, a time to reflect on the wonders of the day and the blessings that God provides to us.

At some point in each of our lives we needed a little help from our friends. What better friends could we have than our brothers and sisters of the American Legion Family? In times of trouble, our friends step up to the plate and help us –

spiritually, emotionally and physically. We are friends because of our common bond of helping our veterans, our military, their families and our communities.

When our Auxiliary sisters are in need we must be there to help. When our elderly members who have been loyal members for 30, 40, or more years and can no longer pay their dues, it should be an honor for us to come together and help. They offered their friendship and volunteered many hours; isn't it time we thanked them and let them know that we care? When our members need help because

of job loss, illness, death of a family member, or their spouse is deployed, we should be there to let them know that they are not alone and we are there to support and help them. Let them know that "you've got a friend," one who will be there in good times and bad.

The Auxiliary Emergency Fund is there for our members when a disaster strikes, the M. Louise Wilson Educational Loan Fund is there to help our members continue their education, and there are many benefits available to paid members: life insurance, discount prescriptions, dental and vision, long-term care and pet insurance,

just to name a few.

May is our month for distributing Poppies – a remembrance of the sacrifices of our men and women in the military. On May 3, 1915, Lieutenant Colonel John McCrae wrote "In Flanders Fields," the most famous war memorial poem. The poem was an exact description of the scene in front of him – the poppies were being blown that morning by a gentle east wind over the grave of his friend and former student Alexis Helmer, who was killed the previous evening by a German shell. "We shall not sleep, though poppies grow In Flanders Fields."

Membership Tips for Smooth Sailing

Every member has a special part they play in the success of our Unit, Department, and National American Legion Auxiliary (ALA). By focusing on what is best for the ALA, each of us will be able to accomplish the mission and play a part in the success of our organization.

In keeping with President Terry's "Raise Your Voice in Song" theme, this month we turn to songs about sailing and boating. "Come Sail Away" by Styx, puts us in the mood for our message. So, grab your oars and join me in the children's song, "Row, Row, Row, Your Boat."

Disaster can result when we don't have an internal culture of goodwill. If some of our members

in the boat decide to stop rowing, the boat will slow down or stop. This happens when our members get burned out or keep holding the same office or program chairmanship year after year. Try exchanging offices.

Another problem arises when our members begin to row in the opposite direction. Then the boat travels crooked or in circles, like when someone gets angry and spends their time criticizing others. Let's think about this when we are about to say something negative and instead make it positive. Finally the problem can be that members get jealous and begin to focus their efforts on throwing other members out of the boat. Let's be Harry Belafonte's "Banana Boat" and bring along a load of fruitful, happy members. Let's keep everyone in the boat to reach success in Membership.

Take a good look at yourself. Are you in the boat with the rest of your

ALA team, or are you a member who has stopped rowing, rows in the opposite direction, or throws others from the boat? If you or someone else in your unit has been "rocking the boat" in this manner, remember that if an entire cruise ship sinks, or gets lost at sea, no one gets to the destination. Let's not turn the ALA into the Titanic.

In order to meet Goal 2 of the ALA Centennial Strategic Plan, which is "To Create an Internal Culture of Goodwill," we need to make sure all of our members are in the same boat rowing in the same direction for success. Everyone knows that the shortest distance to our mission is to work together in harmony. (Thanks to our national membership team for suggestions used in this message.)

Spring is here and with it an awakening of dormant plants and hibernating animals. The increased amount of sunshine we enjoy each day can be a great motivator to become more active ourselves. I pray that you attended your district spring conferences and learned new ways to promote our organization. I enjoy listening to the reports of the units and always seem to find at least one more way our unit can support an additional Auxiliary program. Conferences are also a wonderful opportunity to reconnect with friends you may not have seen over the winter as well as a time to meet new members. Always take a moment to welcome first-time attendees and let them know how glad we are that they have become members of our great organization. Our future depends on our combined efforts to care for those who gave so much for our freedoms.

PRAYER

Father, Your loving kindness is new every day. May we forever trust in You with all our hearts and find rest in the shelter of Your love. We marvel at the splendor of Your creation and give thanks for Your countless blessings. Gather us together in Your loving arms as You bind us together in service for our fellow man. May we be instruments of Your peace as we share the many gifts You have given us. We pray that our hearts continue to be open to Your guiding hand as we strive to do Your will. Amen.

MUSIC

I was contacted by a member who asked if I had this song. She had heard it performed on Memorial Day in the past but it seemed forgotten. Research revealed this to be the VFW memorial song. What a beautiful tribute to those who gave the last full measure of devotion for our liberty.

"Sleep, Soldier Boy"

by Dorothy Alexander

*The battle's o'er and peace is all
 around you,
 Sleep, soldier boy, sleep on.
 The cannon's roar can never more
 disturb you,
 Sleep, soldier boy, sleep on.
 Your journey is ended, your work here
 is done,
 Sleep, soldier boy, and rest.
 Your flag you defended, the vict'ry you
 won,
 Sleep on among the blest.
 The sun's gone down and darkness has
 enclosed you,
 Sleep, soldier boy, sleep on.
 A mother's arms are waiting to enfold
 you,
 Sleep, soldier boy, sleep on,
 The time is not long when the bugle
 will sound forth,
 Mustering you back again.
 You'll wake with the dawning, and
 answer to roll call,
 Sleep, soldier boy, till then.
 Sleep in peace soldier boy till the bugle
 calls you with the dawn,
 Sleep and rest, God is nigh, soldier
 boy*

May is Poppy Month. Honor the veterans and military personnel who sacrificed so much for our freedom by distributing poppies in your community. Poppy proceeds are to be used only for the welfare of veterans, active military personnel, and their families where financial and medical need is evident. Proceeds may not be used for general operating needs of a unit or post; community service projects that do not strictly benefit an individual veteran, military service member or their families; POW/MIA programs; flags or flagpoles. For more details, please refer to the Poppy Fact Sheet posted on the department website.

We would like to thank all the units and posts that submitted their poppy orders by the February 2nd deadline. Due to the high volume of orders received, and the limited number of poppy makers, some orders received after the deadline could not be filled

for Memorial Day distributions, but that doesn't mean you can't distribute poppies during the rest of the year! Consider hosting a poppy drive for Flag Day, Independence Day, community celebrations/events, Veterans Day – the opportunities are endless! Please submit poppy profit reports to Department Headquarters immediately after your poppy distribution. 2016 Poppy Order forms should be available in August. Units and posts are encouraged to turn their orders in early to ensure receipt of poppies when they need them.

Any candidate for department office must submit her announcement, endorsements and photo to the Department Secretary by May 15th for publication in the Wisconsin. Information is preferred via email but hard copies may be mailed to Department Headquarters.

The 95th ALA Convention will be held at the Radisson Paper Valley Hotel in Appleton from July 17-19th. Convention details were sent to Unit Presidents in the April monthly unit mailing and are posted on the depart-

ment website. Pre-registration is \$25/person or \$30 after July 13th. A list of hotels is also posted on the Department website. Members are encouraged to make their reservations early. The Experimental Aircraft Association (EAA) moved their event up one week and availability of hotel rooms in the area is extremely limited. I hope to see you in Appleton!

Resolutions approved by units and districts must be received at Department by June 1st. Unit delegate and alternate forms will be sent to units 30 days prior to convention and must be returned to Department by July 3rd.

Several units have contacted headquarters during the past few weeks and asked when they can submit new member applications. Applications should be turned in as soon as they are received so the individual can start earning the rights and privileges of membership immediately. There are still eight months left in the Auxiliary year, so please don't hold onto applications until 2016! 2016 membership cards and rosters will be mailed to units after department convention.

Memorial Day started as an event to honor Union Soldiers who died during the American Civil War. It was inspired by the way people in the Southern states honored their dead. After World War I, it was extended to include all men and women who died in any war or military action.

Memorial Day was originally known as Decoration Day. The current name for this day did not come into use until after World War II. Decoration Day, and then Memorial Day, used to be held on May 30, regardless of the day of the week on which it fell. In 1968, the Uniform Holidays Bill was passed as part of a move to use federal holidays to create three-day weekends. This meant that since 1971, Memo-

rial Day has been officially observed on the last Monday in May. However, it took a longer period for all American states to recognize the new date.

It is traditional to fly the flag of the United States at half-mast from dawn until noon. Many people visit cemeteries and memorials particularly to honor those who have died in military service. Many volunteers place an American flag on each grave in national cemeteries as well as on the graves of soldiers in each of our community cemeteries. Rural communities and towns over the United States host Memorial Day parades, blending military faculty and individuals from veterans' associations. This day has been an outstanding way to collect the old and young together and gather as a group thus increasing unity within the country.

Memorial Day has become less of an

occasion of remembrance for some. Many people choose to hold picnics, sports events and family gatherings on this weekend. This day is traditionally seen as the start of the summer season for cultural events. For the fashion conscious, it is seen as acceptable to wear white clothing (particularly shoes) from Memorial Day until Labor Day. However, fewer and fewer people follow this rule and many wear white clothing throughout the year.

Memorial Day is a federal holiday. All non-essential government offices are closed, as are schools, businesses and other organizations. It is still a day to pay tribute to our military dead, honor the essence of the day, promote citizen participation and attendance, involve youths and students, and include speakers of note and representatives of the local government.

JUNIOR ACTIVITIES

Anna Rathe
 Honorary Junior President

My name is Anna Rathe and I have been the Wisconsin American Legion Auxiliary Honorary Junior President for the past year. I am a freshman in high school and I'm from Stevens Point, Wisconsin. I have been happy to serve as the Honorary President and am proud of what the Juniors have done this year.

In September, we had an amazing event at the Fall Conference in Eau Claire. Over 40 juniors participated in the ALA Juniors "Boot Camp." We really had a chance to learn about each other, learn about assisting

veterans, and most importantly, we were able to challenge ourselves in ways we hadn't before.

I'm happy that our Junior program is a great organization for young girls to be a part of something bigger than ourselves. It is a chance for us to understand the issues that our veterans face and to develop ways to help them. So often we are concerned with what our friends will think of our outfits, or even with fitting in, but the Junior program is a place for everyone to fit in and to come together to help others.

This past year I helped with the Poppy program and distributed poppies as the

Unit 6 Poppy Princess. I was also able to speak in front of a few hundred people at a Memorial Day ceremony to tell them how important it is to remember our veterans. In February, I spent four whole days making "ponczkas" with our unit to support our veteran's assistance fund. By the way, a ponczka is a Polish fried doughnut with filling!

I have had a lot of fun finding new ways to support veterans. I'm very much looking forward to our next big Junior event in Madison called "The Amazing Race."

I hope that all Juniors in Wisconsin will want to participate. See you there on July 11th!

DEPARTMENT PRESIDENT TERESA'S PRAYER BOOK

Attention ALL American Legion Auxiliary Members and Juniors:

As your Department Chaplain, I am requesting your help in making President Teresa's Prayer Book one she will treasure always! I'm accepting prayers from young and "old." This is not just a Unit Chaplain's responsibility. I'd like to include prayers for any occasion, inspirational or patriotic thoughts and/or poems, and hymn verses

or songs (MUSIC!). Junior members are encouraged to send me pictures related to President Teresa's "Raise Your Voice in Song" theme or their own original prayers and/or poems.

Thank you to those who have already sent me beautiful entries! This project will be a work of many... AS WE SHARE OUR LIFE AND LOVE FOR GOD AND COUNTRY with President Teresa.

I hope Unit Chaplains are busy working on their entries for the Prayer Book Contest. All entries submitted will receive a citation and the best entry will receive a special gift. Make this a UNIT project! It will mean so much more to everyone involved!
